GOOD NEWS FOR DEALERS

Now is the time for selling Fountain Pens and Automatic Pencils. The Dealer who features these items during the balance of the year by carrying a complete assortment properly displayed is going to get the business on these profitable lines.

You make a REAL PROFIT when you sell a Dunn Pen or a Dunn Self Loading Pencil; our discount to dealers is most liberal.

Dunn Pens and Dunn Self Loading Pencils are easiest to sell because they have EXCLUSIVE features which cannot be found in any other and they cost no more than the ordinary kind.

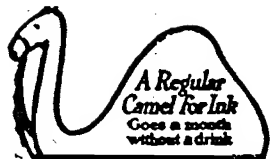

The Dunn Pen has no rubber sac to take up ink space in the barrel; it fills with a pump action and holds nearly three times as much ink as any other self filling pen of the same size.

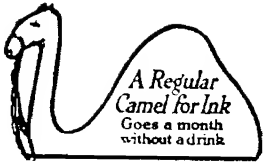

The Dunn Self Loading Pencil will hold 5 FEET of leads (20--3" leads) it loads itself and the 20 leads follow their leader to the point by simply pressing the top of the pencil.

ILLUSTRATIONS and DETAILS of DUNN PENS and PENCILS on THE PAGES FOLLOWING. A FEW MINUTES TO LOOK NOW WILL MEAN MANY DOLLARS OF PROFIT IN THE FUTURE.
